Balgownie Estate
EST. 1969

Balgownie Estate Vineyard & Winery is located 8km from the Bendigo CBD fountain, a 10 minute drive along Marong Road.

Established in 1969, Balgownie Estate is renowned for its handcrafted estate wines, sourced from 40 year old vines, specialising in robust, generously constructed Shiraz and Cabernet Sauvignon of great style, body and longevity, and an elegant Chardonnay. Balgownie Estate is expanding its range of wines, culminating with a new release Sparkling Shiraz. Our new blends, Cabernet Merlot and a Shiraz with a touch of Viognier are both travelling well.

Let our knowledgeable staff take you through our extensive range of wines and experience Victoria's winemaking history. Arrangements can be made to meet the winemaker and tour our barrel room.

Balgownie Estate can cater for large groups accommodating up to 40 people in the cellar door. In the warmer months you can take advantage of our outside verandah and garden area which is suitable for casual dining.

Our group functions offer a "Shared Table Style" dining experience which allows your group to enjoy a leisurely lunch. The food is alfresco style and has been designed to compliment our wines. Our culinary focus is to endeavour to support local suppliers in and around Bendigo and put local produce on our menu.

Cellar door open 7 days,
11am – 5pm.

Cafe open 12 noon – 3pm.
