E: **[manager@bendigoclub.com](mailto:manager@bendigoclub.com)**

Team building and moral boosting has never so easy, or so inexpensive! Corporate lawn bowls is a non-contact, non-pressure activity, which is suitable to all employees of any age, fitness or physique. Suitable to both genders, a game of bowls will see even the most introverted team member strive to be team champion.

We supply all equipment and coaches, while you relax and get bowling. Our 8 rink green is overlooked by our bar, bistro and conference facilities, with catering services available indoors or out. Mixed teams are hosted by our bowling experts – cheering and encouragement supplied at no charge.

So kick off those work shoes, fill your lungs with fresh air and feel the grass beneath your toes, while you begin your corporate bowls challenge!

Corporate groups are proudly hosted by the Woodbury Bowling Club
