Bendigo Coachlines is a company that has been involved in the industry for over 50 years. We have a range of vehicles with seating from 21 passenger mini buses to a 69 seat coach. Most of our vehicles are seat belt equipped including mini buses, Hi Deck coaches and Double Deck coaches.

We can arrange tours anywhere and are also available for day tours, conferences, weddings or social events. Our drivers are capable to travel and tour outback areas, either camping or accommodated.

We are only too happy to quote on any coach trip you may require. You can contact our office by telephone, fax or email.

No job is too big or too small and we can tailor tours to suit your requirements.
