Grandeur, elegance and beauty ... Bendigo Town Hall.

This classic building in the heart of Bendigo is one of the city's greatest architectural achievements from the late 19th century.

Bendigo Town Hall has returned to the elegance and beauty of its 19th century heritage after an extensive restoration and renovation program including plasterworks, murals and gold leaf worked by skilled artists and artisans.

Offering first class professional catering and technical support, the Bendigo Town Hall is the perfect location for functions and conferences with style and elegance.

Technical support and conference equipment can be supplied for all events.

As one of the most spectacular venues in central Victoria featuring a minstrel's gallery high above the guests you can be assured that your banquet, conference, trade show, in fact any event, will be the most talked about event of the year.
