The panoramic views, the food and the service allows for a great start to an excellent venue centre. Add to this a data projector, screen, white board, and portable microphone and organising a conference or other type of function is made so much easier. The main function room is broad band for your convenience. The function room also has an iPod connection to enhance the mood of your function.

We all know that the food can make or break a function. At Big Hill Vineyard all the food is house made and tailored to suit your needs. Dietary requirements are no problem. Take the stress out of your next function by choosing J&L Catering at Big Hill Vineyard.
