Set in the heritage-listed Railway Goods Shed; the Discovery Science & Technology Centre is conveniently located next to the Bendigo Railway Station and offers a unique setting for your next corporate conference.

Our auditorium includes audiovisual equipment, furniture and décor, stationary and use of the kitchen. Catering options are available upon request and breakout spaces can be created amongst our 100+ exhibits or within The Lab. Alternatively, for a truly unique experience speak to us about holding your event amongst the exhibits.

Why not break the ice and include a science show or two within your schedule, or, let us take you on a guided journey around the solar system in the Bendigo Planetarium? For the more daring, we challenge you to plummet down the southern hemisphere's tallest Vertical Slide!
