E: **marketing@vgr.com.au**

A classic steam era experience linking Castlemaine and Maldon.

Enjoy the wonderful atmosphere of authentic steam train travel. Stylish First Class Parlour Car option also available for that 'extra touch of class'.

Visitors can travel on scheduled services or charter a special train for a specific event. A great activity for a partners program or a special social event during your stay.

Victorian Goldfields Railway provides a unique and memorable experience for your group. Catering can be arranged and on board beverages supplied. Small or large groups can be accommodated.

Special experiences can also be supplied as gifts & incentives for employees and clients. (eg: Driver Experience Days – where the participant actually gets to drive the steam train under expert guidance)
